

BEAR RIVER

- 1** Art Gallery at Oakdene Centre
- 2** Visitor Information Centre
- 3** Post Office

Bear River is located six kilometers inland on a tidal river of the Bay of Fundy. The tide rises and falls approximately 25 feet twice a day due to the dramatic Fundy tides, the highest on earth!

The original people of Bear River are the Mi'kmaq, who lived here for thousands of years before the arrival of Europeans.

When visiting the community, be sure to check out the artisans' shops and studios, galleries, and vineyards.
